47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC.

I am a customer who supports broadband competition. I want to be able to choose a competitive provider. My 100% fiber today for my ISP. I love it with the speed I have. It's great and it does not freeze on me. I also wanted to be able to get the ISP of my choice instead of just one or 2 ISP providers. My ISP also includes telephone services which I like also. I had DSL before. My Sonic 100% fiber ISP is Great. Last, but not least, keep more competitive ISP services without trying to increase prices. The more competitions and better for us consumers.

Thanks You Very Much.
